Shipping Methods & Rates

[Crystal Couture Inc.](#) (CCI) has chosen to use a flat rate system to calculate shipping and handling.

All packages will be shipped via USPS using one of two options: USPS Priority Mail (2nd Day), or Overnight.

Delivery Options	Cost	Internal Processing	Time in Transit	Estimated Arrival
USPS Ground	\$7.00	1 to 2 Business Days	2 Business Days	3 to 4 Business Days
USPS Overnight	\$25.00	1 Business Day	1 Business Day	2 Business Day
USPS International	\$19.00	1 Business Day	5 to 6 Business Days	7 Business Days

CCI ships to the 48 contiguous states, plus Alaska & Hawaii. Please add \$10.00 to our shipping rates for orders to Alaska and Hawaii. Please note: Ground shipping is not available to either of these destinations.

Orders are shipped on business days only. In this case, business days are considered to be Monday through Friday, not including U.S. holidays. Orders placed on holidays, Saturdays or Sundays, will be processed the following business day in most cases.

The majority of orders are processed and shipped within twenty-four hours (not including weekends or holidays). Special efforts are made to expedite internal processing of 2nd Day and Overnight orders. Although we cannot guarantee same day shipping, you increase the likelihood if you place your order prior to 12:00 noon Central Standard Time. Most orders placed after 12:00 noon will be shipped the following business day.

A signature is required on all orders unless waived by the addressee. If you choose to waive the signature requirement, Crystal Couture cannot be held responsible for lost or stolen packages.

International

CCI is pleased to ship International orders using USPS Air Parcel Post. We charge a flat rate of \$19.00. We also offer express mail for our international customers. Global Express rates will be calculated by destination and weight and will be charged to our customer's credit card at time of shipment.
